OR 1PM-3PM

ABOUT BEYOND FACE

Beyond Face exists to work with local *global majority artists, young people and regional voices across the region, providing them with a variety of opportunities to develop their craft and share their work with live audiences. Beyond Face also creates their own productions that explore contemporary themes and issues, alongside playing with different genres and forms.

Email Project Manager Bee:
bee@beyondface.co.uk to
register your interest. See you
there!

*Global Majority includes people who are from African and Caribbean diasporas, people who are South Asian, East Asian, South East Asian, North African, Middle Eastern, from Indigenous backgrounds and ethnically mixed heritages. This opportunity is for Global Majority People.
